WORK EXPERIENCES

Business Development Executive

Control Print PVT LTD – The Mask Lab | FEB 2025 – March 2026

Here I was responsible for identifying and approaching industrial areas, and pitching our PPE solutions and effectively converting leads in to confirmed orders. Have built and maintained strong client relationships to ensure consistent repeat business under long-term partnerships, while consistently meeting sales targets and contributing to overall business growth.

Field sales Engineer

Innova Diesel Generators PVT LTD | DEC 2023 - FEB 2025

- Generated lead through coldcalling, networking, and field visits.
- Delivered presentations to stakeholders at all levels, from entry-level management to CEOs.
- Successfully closed deals by building strong, long-term relationships with key decision-makers.
- Conducted rigorous follow-ups to clear blockers and stay ahead of the competition.
- Negotiated contracts, addressed objections, and achieved sales targets.
- Ensured excellent post-sales service, fostering client satisfaction and generating referrals

Business Development Manager

Radical minds PVT LTD | SEP 2022 - OCT 2023

- Prospected and generated new business leads through cold calling, networking, and social media.
- Built and nurtured client relationships, identifying upselling opportunities drive revenue growth.
- Managed existing client accounts and ensured high level of customer satisfaction.
- Developed and implemented sales strategies to enhance client retention and expand market presence.
- Analyzed sales data to refine marketing strategies and improve sales performance.

Sales Executive

Teleperformance Global Services PVT LTD | JULY 2021 - AUG 2022

- Engaged in direct sales, handling customer inquiries and offering tailored solutions.
- Developed persuasive sales pitches and successfully converted leads to customers.
- Provided exceptional customer service, ensuring client satisfaction and retention.
