PROFESSIONAL EXPERIENCE

Associate – Financial Services Operations

Jan 2025 – July 2026

SS&C Fintech Services Ltd

- Analyzed client onboarding documents and linked investor information to the appropriate fund while ensuring completeness, accuracy, and compliance with internal procedures.
- Coordinated with onshore teams to obtain and validate onboarding documentation for new investors and funds, ensuring all SLA and compliance requirements were met.
- Maintained accurate records of investor subscriptions, withdrawals, holdings, and available fund balances, ensuring timely updates to investor accounts.
- Managed client/investor onboarding, reviewing and validating client information and supporting documentation for completeness and accuracy.
- Maintained investor/account information, including account updates, transaction-related changes and supporting documentation.
- Performed reconciliation and investigated discrepancies/exceptions, supporting timely resolution within defined SLAs. Prepared daily and weekly operational reports on investor transactions, fund activities, and account balances for internal stakeholders and clients.
- Coordinated with onshore teams and internal stakeholders to resolve documentation gaps, transaction issues, and operational exceptions.
- Validated client/entity master data and supporting documentation to ensure completeness, consistency, and accuracy across operational records.
- Processed investor account maintenance requests, including account updates and transaction-related changes, while maintaining high data accuracy.
- Performed quality checks on transaction records and supporting documentation to ensure compliance with regulatory requirements and operational guidelines.
- Supported creation and maintenance of investor/trading accounts, ensuring accurate capture and validation of client information and account attributes.
- Supported SSI amendments and maintenance, ensuring accurate settlement-related account and beneficiary information.
- Processed and provided legal documentation, including Trust Deeds, Scheme Rules, and Member Nomination Forms, ensuring accuracy, completeness, and regulatory compliance.

Intern – Financial Services Operations

SS&C Fintech Services Ltd

Oct 2024 – Dec 2024

- Assisted in processing financial transactions across diverse investment products, delivering critical support for client and partner enquiries on UK-based products.
- Validated and executed payment instructions, ensuring accurate processing, full compliance with internal policies, and prompt resolution of payment exceptions.
- Gained hands-on exposure to fintech compliance frameworks, fund administration workflows, and fund management systems; promoted to full-time Associate within 3 months in recognition of performance.

Management Trainee (Internship)

Thane Bharat Sahakari Bank Ltd (TBSB)

May 2023 – Jul 2023

- Assist customers with check deposits, NEFT/RTGS transactions, passbook printing, and ATM-related services. Offered guidance to customers on account-related matters, including balance inquiries, transaction history, and account statements.
- Managed fixed deposit renewal requests, coordinating with clients to renew their investments per their preferences. Maintained accurate records of fixed deposit maturity dates and interest calculations.
- Assisted in day-to-day banking operations including loan disbursements, customer onboarding, and core banking transaction support.
