- **Risk & Compliance:** CASS Regulation · FCA Guidelines · Internal Audit & Controls · Risk Mitigation
- **Settlements & Payments:** SWIFT · CREST · Euroclear · BACS · CHAPS · WIRE · TLM
- **Reconciliation:** Exception Management · Reconciliation Centre of Excellence · Aged Breaks Resolution
- **Reporting & Analysis:** MIS Reporting · Root Cause Analysis · BOD/EOD Sign-offs · SLA Management
- **Efficiency & Automation:** STP Optimization · Process Migration · Automation Initiatives · SOP Development

PROFESSIONAL EXPERIENCE

Technical Coordinator | Northern Trust Services Pvt. Ltd.

Nov 2023 – June 2026

- Oversee end-to-end daily asset servicing operations for global custody clients, ensuring 100% adherence to service level agreements and international regulatory standards.
- Serve as primary escalation point of contact, providing timely guidance and resolution support across operations teams.
- Led the SWIFT straight-through processing (STP) project, delivering a 20% improvement in STP efficiency and reducing manual intervention touch-points.
- Authored, reviewed, and maintained Standard Operating Procedures (SOP's), proactively identifying procedural gaps and embedding robust risk controls.
- Facilitated internal audits, controls testing, and compliance checks aligned with CASS and FCA regulatory frameworks.
- Liaised with client representatives and middle-office teams to resolve complex queries, ensuring seamless communication and relationship management.
- Performed control design and operating effectiveness testing across Global Custody and Asset Servicing processes, assessing controls against CASS/FCA requirements and internal policies, identifying gaps and supporting remediation to strengthen the overall control environment
- Delivered structured market awareness sessions to supervisors and focused groups, promoting knowledge sharing and process alignment across the business.
- Monitored CASS/FCA regulatory developments and assessed their impact on Global Custody and Asset Servicing processes, supporting updates to controls, procedures and compliance requirements.
- Championed process improvement initiatives, reducing operational error rates and supporting automation adoption across custody workflows.

Senior Financial Analyst | Northern Trust Services Pvt. Ltd.

Oct 2020 – Oct 2023

- Managed day-to-day supervisory operations, ensuring on-time task completion and consistent adherence to SLAs across all assigned custody processes.
- Conducted quality assurance reviews and second-level validations, materially reducing internal and external error rates across critical income and reconciliation workflows.
- Contributed to multiple process testing and improvement initiatives, driving a 15% increase in team-wide operational efficiency.
- Built and maintained strong working relationships with governance teams, stakeholders, and business partners, aligning operational goals with wider organizational strategy.
- Provided BOD and EOD sign-offs to senior leadership, ensuring timely, accurate reporting and end-to-end process accountability.

Financial Analyst | Northern Trust Services Pvt. Ltd.

Sep 2018 – Sep 2020

- Processed mandatory corporate action events — including dividends, interest payments, and redemption's — for CREST and Euroclear markets, ensuring accurate and timely settlement.
- Reviewed and validated SWIFT messages, managing fund movements via BACS, CHAPS, WIRE, and TLM payment systems.
- Performed reconciliation and payment validation across high-volume cycles, maintaining accuracy benchmarks and resolving account discrepancies with depositories.
- Identified and implemented process improvement initiatives that reduced manual errors and enhanced operational throughput.
- Played a pivotal role in the successful migration of the Euroclear Income process to Pune and led reconciliation migration to the Reconciliation Centre of Excellence.

KEY ACHIEVEMENTS

- Led the SWIFT project that significantly improved straight-through processing rates, reducing manual intervention and settlement errors - **20% STP Efficiency Gain**
- Contributed to process improvement initiatives as Senior Financial Analyst, measurably increasing team-wide operational productivity - **15% Efficiency Improvement**
- Recognized for outstanding accuracy and delivery consistency during high-volume income processing cycles - **Exceptional Performer Award (2020 & 2021)**
- Spearheaded the Euroclear Income process migration to Pune and the reconciliation migration to the Centre of Excellence - **Process Migration Leadership**
- Acknowledged by the Process Optimization Team for automation initiatives that reduced manual errors and improved operational controls - **Automation Recognition**
