WORK EXPERIENCE

Associate - Cognizant

June 2023 -Present

- **Execute and monitor trade settlements** across multiple **settlement platforms**, ensuring all transactions are processed accurately and in line with client agreements and trade obligations.
- Used **Bloomberg Terminal** to retrieve and verify market prices for securities using **CUSIP** identifiers.
- Ensure timely **settlement of securities and cash** through systems such as **Euroclear, Clearstream, DTC**, while adhering to market deadlines and **SLAs**. Perform **trade matching and confirmation** with **internal systems, custodians, and counterparties** to ensure all trade details are accurately aligned before settlement.
- Investigate, analyze, and resolve **settlement discrepancies** and **trade breaks** between **internal records, custodians, and external counterparties**, ensuring complete **reconciliation**.
- Ensure all **unsettled or failed trades** are tracked, escalated where necessary, and resolved within defined operational **SLAs**.
- Act as a point of contact for **clients, traders, custodians, and internal stakeholders** for **trade-related queries, confirmations, and issue resolution**. Provide high-quality **client servicing** by responding to inquiries in a timely, professional manner and ensuring transparency in **settlement status** and issues.
- Support **business identification** and participate as a **subject matter expert** in discussions related to **process improvements, system enhancements, and operational efficiencies**.
- Identify **operational risks, process gaps**, and recurring **settlement issues**; recommend and help implement **process improvements** to reduce **trade breaks** and increase efficiency.
- Maintain accurate records of all **trade lifecycle activities**, ensuring **audit readiness** and compliance with **internal controls** and **regulatory requirements**.
- Collaborate with **senior stakeholders, trading desks, operations teams, and technology teams** to ensure smooth **end-to-end settlement processing**.

Achievements:

Received recognition and appreciation from clients and senior management for accurate trade processing and timely issue resolution.

Consultant - Deloitte

Aug 2022– May 2023

- Managed **post-market FX trade reconciliation**, ensuring all positions are accurately booked and settled.
- Reconciled **GBS Spot Position (SPOS) breaks** and internal **trade suspense/clearance accounts**, identifying and resolving discrepancies.
- Conducted **break itemization and analysis**, reviewing nature of breaks and implementing corrective actions.
- Allocated work, reviewed pending breaks, and managed **escalated break resolutions** in coordination with relevant teams.
- Performed **middle-office reconciliation** for in-house clearance accounts within Barclays.
- Executed **front-office to back-office and back-office to back-office reconciliations** across internal accounts.
- Handled **end-to-end FX break processing** across multiple account types, ensuring accuracy and timely resolution.
- Led an **ad-hoc project** to set up correct **Standard Settlement Instructions (SSI)**, updating 3000+ CP-SSI instructions to enable **STP (Straight-Through Processing)** and ensure fast, accurate fund transfers via clearing/agent banks to ultimate beneficiaries.

Senior Analyst - State Street HCL

Nov 2019 – April 2022

- Managed **End-to-End Trade Booking & Reconciliation** ensuring **SLA compliance**
- Accurate **Trade & Cash Accounting Entries** with proper documentation
- Performed **Cash & Position Reconciliation** with brokers/counterparties
- Handled **Query Resolution & Break Management** across teams
- Resolved **reconciliation breaks** ensuring timely closure
- Identified & escalated **Operational Risk issues**
- Supported **Audit requirements & reporting** (Error Tracker, Break Log)
- Delivered **Month/Quarter-End activities** within tight deadline.
- Supported **Client Servicing, Audit Requirements, and Knowledge Transfer** for new joiners

Achievements:

- Promoted to **Senior Analyst** for exceptional performance in reconciliation and trade lifecycle management and maintaining seamless collaboration with global stakeholders.

Education

- Master of Business Administration - 2019
