PROFESSIONAL EXPERIENCE

Infosys BPM Ltd. — Process Specialist – Trade Settlement

22 January 2026 – 24 July 2026 | Pune

- **Supported client operations and custody settlement activities**, including client onboarding and transition support.
- Managed and responded to operational queries and requests related to trade settlement, reconciliation, and custody activities, ensuring timely follow-up.
- Investigated cash and securities reconciliation breaks and settlement exceptions; coordinated with relevant internal teams until resolution.
- Acted as a liaison between middle-office, reconciliation, and operations teams to facilitate clear communication and timely issue resolution.
- Managed daily queue allocation, workflow tracking, and work prioritization to support **SLA commitments and service delivery**.
- Prepared and maintained SOPs, process documentation, and operational guidelines to ensure consistent and accurate service delivery.
- Identified operational gaps and contributed to process improvement initiatives focused on workflow efficiency and service quality.
- Maintained accurate operational records and supported transition activities through structured documentation and follow-up.

State Street Services Pvt. Ltd., Pune — Senior Associate (Trade Processing & Settlement)

01 December 2021 – 15 January 2026 | Pune

- **Handled client and counterparty queries and escalations** related to trade settlement, payments, reconciliation, and operational exceptions, ensuring professional follow-up through closure.
- Built effective working relationships with custodians, agent banks, counterparties, Euroclear, Clearstream, and internal stakeholders to resolve service issues.
- Managed end-to-end trade lifecycle activities including trade booking, validation, confirmation, settlement, reconciliation, and exception management across global markets.
- Performed cash and securities reconciliation, investigated settlement breaks and trade failures, identified causes, and drove timely resolution within SLA.
- Coordinated with cross-functional teams to resolve domestic and international settlement, payment, transfer, and custody-related issues.
- Processed custody settlements through FED, DTC, CREST, SWIFT, and FAX instructions, while ensuring market cut-off and service timelines were met.
- Executed and monitored transactions across Equities, Fixed Income, Mutual Funds, FX, and Repo/Reverse Repo products.
- Processed DVP, RVP, and FOP transactions and handled amendments, cancellations, FX currency matching, and settlement requirements.
- Prepared SOD, MOD, EOD, reconciliation, and operational reports to support service monitoring, control checks, SLA adherence, audit readiness, and regulatory requirements.
- Allocated and posted dividend and interest income accurately to client accounts and supported accurate custody/accounting records.
- Identified recurring operational issues and service gaps and contributed to process improvements and workflow enhancements.
- Maintained **99.8% accuracy** while managing high-volume transactions in a deadline-driven environment.
- Mentored new team members and supported knowledge transfer, process consistency, and service-quality standards.

KEY ACHIEVEMENTS

- Titan Award – June 2022
- Bravo Awards – Multiple recognitions (2024–2025)
- Promoted to Senior Associate (March 2025) within 3 years
- Maintained 99.8% processing accuracy in high-volume, SLA-driven operations
