PROFESSIONAL EXPERIENCE

Assistant Manager – Risk & Compliance | Citi**Oct 2022 – Aug 2026**

- Conduct **compliance monitoring**, surveillance reviews, and risk assessments to identify market abuse, insider trading, and regulatory breaches across global business lines, closing the highest alert volumes in the team with **zero quality findings**.
- Analyse **6000+ high-volume compliance alerts monthly** across Treasury & Trade Solutions, Research, and Securities Services, ensuring adherence to internal policy and regulatory standards.
- Lead **governance forums** and partner with cross-functional teams to strengthen internal controls, close control gaps, and drive **remediation** of compliance issues.
- Prepare and present **APAC Management Information**, compliance dashboards, and regulatory risk metrics to senior stakeholders, supporting risk-based decision-making.
- Manage **escalations** across global compliance, risk, and business teams, ensuring timely resolution of high-risk cases in line with regulatory expectations.
- Built and deployed **AI-assisted surveillance triage support** that **cut manual review time by roughly 30%** and improved consistency in flagging potential compliance issues.

AML Analyst | UBS**Dec 2020 – Sep 2022**

- Performed name screening, **sanctions screening**, and **enhanced due diligence (EDD)** for high-risk counterparties, assessing adverse media and financial crime risk.
- Supported the Singapore-based Centre of Excellence on AML investigations and cross-border compliance reviews across APAC, handling **150+ cases per quarter**.
- Prepared APAC Management Information reports on screening volumes and compliance risk metrics, **improving reporting turnaround** for regional stakeholders by **20%**.

KYC Analyst | BNY Mellon**Oct 2019 – Dec 2020**

- Conducted periodic **KYC reviews**, AML screening, and **customer due diligence** for corporate and institutional clients in line with global regulatory requirements.
- Analysed corporate ownership structures and **Ultimate Beneficial Ownership (UBO)** information using regulatory filings and public databases to support risk-based decisions.
- Utilized **LexisNexis** for due diligence, entity verification, and customer risk assessments, maintaining **100% on-time completion** of assigned reviews.

Market Research Associate | Lucintel**Jul 2017 – Jun 2019**

- Conducted industry research, market sizing, and competitive benchmarking using **Capital IQ, Bloomberg, and Factiva** to support consulting engagements.
- Prepared client-ready research reports and investment insights for senior management, contributing to a **15% increase in repeat client engagements**.

PROJECTS

- **AI-Assisted Surveillance Alert Triage Tool** — Leveraged Microsoft Co-pilot and structured prompts to assist with the initial review and summarisation of surveillance alerts, helping reduce manual triage effort by approximately 30%.
- **APAC Compliance Dashboard & MI Reporting** — Qlik Sense/Excel dashboards consolidating alert, screening, and risk metrics; cut report prep time 20%.
- **KYC/EDD Documentation Framework** — Standardized due-diligence checklist for UBO verification; improved review consistency and reduced rework.

EDUCATION & CERTIFICATIONS

Institute of Management, Raipur — MBA (Finance)**2016****Pt. Ravishankar Shukla University, Raipur — B.Com****2012**

- CAMS – Certified Anti-Money Laundering Specialist (ACAMS) – *In Progress*

ACHIEVEMENTS & ACCOLADES

- Consistently achieved the **highest closing alert volumes** in the team with **zero quality findings**.
- Hosted monthly global team connect sessions to strengthen cross-team collaboration,
- Recognized as **CSR Torch Bearer of the Year** at Citi.
