DIVYA BALYAN

CSR & ESG Leader | Sustainability Governance | Social Impact at Scale

PROFILE

Senior CSR & ESG professional with **15+ years** of experience leading enterprise sustainability, CSR governance, and social impact portfolios across corporate, multilateral, and government ecosystems. Deep expertise in **Section 135 compliance, BRSR alignment, GRI sustainability reporting, and EU ESG regulations (CSRD, SFDR, CS3D, EBA Pillar 3)**. Track record of architecting multi-crore CSR portfolios with 97–99% fund utilisation and zero audit deviations, anchoring landmark public–private partnerships, and embedding ESG governance frameworks aligned with global standards. Field-tested domain expertise in **public health, NCD management, and community wellbeing** — directly relevant to sustainability-linked initiatives within the Health Insurance ecosystem.

SIGNATURE ACHIEVEMENTS

PROFESSIONAL EXPERIENCE

CSR & Sustainability Manager The Seksaria Group

Jan 2025 – Apr 2026 • Uttar Pradesh, Mumbai, Bangalore

- Transformed CSR from isolated pilots into a **scalable, multi-year impact portfolio** with pan-regional coverage, full Section 135 compliance, and embedded ESG governance practices.
- Tripled education, environment, and gender programme outreach in 24 months — positively impacting **35,000+ lives per year** across underserved communities.
- Built and governed a network of **25+ strategic NGO and implementation partners**, improving execution speed and outcome monitoring by 45%.
- Achieved **98% fund deployment efficiency** and 30%+ improvement in beneficiary-level outcomes through structured annual planning, robust M&E, and quarterly Board reporting.
- Increased employee volunteering engagement by **55%** through structured campaigns linking corporate purpose with measurable community outcomes.

Sustainability Reporting Consultant ESG-Mate

May 2023 – Oct 2024 • Rotterdam, Netherlands

- Conducted supply chain ESG due diligence for European clients across **100+ E, S, and G parameters** — identifying adverse impacts, scoring supplier risk, and driving corrective action plans across Tier-1 and Tier-2 suppliers.
- Advised clients on compliance readiness for **CSRD, SFDR, CS3D, and EBA Pillar 3 ESG** — translating regulatory requirements into double materiality assessments and KPI frameworks aligned with GRI and ESRS standards.

COMMUNICATIONS & THOUGHT LEADERSHIP

Created bilingual (English & Hindi) animated programme videos for Lupin's flagship CSR Health programme — featured as key communication assets on the organisation's YouTube channel.

Directed multimedia content including a documentary on Anaemia Management in Uttar Pradesh and **7 films featured at Every Woman Every Child Global Forum 2019**.

Authored 18 articles in Lupin's "Pahal" newsletter and 8 articles for monthly project newsletters on community health, nutrition, and behaviour change.

Insights Brief on IYCF Practices → drove government-led frontline worker training and a new IEC strategy.

COVID-19 Maternal & Child Health Policy Paper → featured at the Delivering Nutrition for South Asia Forum.

- Delivered **ESG scoring, benchmarking, and on-site supplier audits** combined with predictive risk analytics — enabling clients to move from compliance to measurable positive impact across their value chains.

Head – LIVES (CSR) Lupin Human Welfare & Research Foundation

Mar 2022 – Mar 2023 • Pune & Mumbai, India

- Designed and launched **Lupin's flagship multi-year CSR health programme for NCDs** (hypertension, CVD, COPD, asthma) — scaling from concept to multi-state execution within 6 months and institutionalising a 5-year expansion blueprint aligned with Section 135 & Schedule VII.
- Forged the landmark **Government of Rajasthan – Lupin MoU**, navigating complex regulatory and stakeholder negotiations to establish a ₹15 Cr, 5-year public-private healthcare partnership.
- Directed a **₹10–₹18 Cr annual CSR portfolio with 97–99% fund utilisation** and zero audit/compliance deviations — scaling operations through strong governance, digitised reporting, and real-time Board dashboards.
- Expanded annual beneficiary reach by **350% (15,000 → 70,000+)** and indirect outreach to 3,00,000+, with cumulative reach of 1.2M+ community members through SBCC, multimedia campaigns, and 4X rural penetration.
- Improved early NCD detection by **45%** via mobile medical units, digital patient tracking, and structured SBCC across 8 districts and 120+ locations.
- Led a **70+ member cross-functional ecosystem** (on-ground teams, technical experts, hospitals, agencies, government partners) — positioning Lupin as a top-tier corporate partner in community health with national-level visibility.

Policy Research Lead — Health & Social Equity Advisory SEE, IPE Global

Sep 2020 – Feb 2022 • Jaipur, India

- Led policy and field research across **5 tribal districts**, directly shaping state-level nutrition, IYCF, and behaviour-change recommendations including frontline worker training and revised IEC materials.
- Designed digital M&E systems tracking **600,000+ women and children** — introducing real-time dashboards that improved programme efficiency by 40%+.
- Developed CSR strategies aligned with Section 135 & Schedule VII, impacting 600,000+ beneficiaries across Rajasthan.
- Authored high-visibility thought leadership including a COVID-19 maternal & child health assessment showcased at the **Delivering Nutrition for South Asia Forum**.
- Mobilised 200+ employees through volunteering, increased CSR participation by 55%, and amplified programme visibility through 8 evidence-based publications.

State Knowledge Management Specialist UPTSU — Bill & Melinda Gates Foundation

Aug 2018 – Sep 2020 • Manitoba, Canada & Lucknow, India

- Led **MNCH communication strategy** producing flagship reports and multimedia assets showcased at global forums — significantly elevating programme visibility and credibility.
- Built **KPI-driven documentation and reporting systems** ensuring 100% audit-ready records and strengthened accountability across MNCH interventions.
- Integrated CSR-funded MNCH initiatives into state health platforms, accelerating district-level adoption and institutional uptake.
- Prepared quarterly and annual CSR reports for HQ and the Board, ensuring full Section 135 compliance and enhanced governance confidence.

Senior Programme Manager — CSR Projects National CSR Hub, TISS

Jan 2016 – Jun 2018 • Delhi & Mumbai, India

- Led large-scale CSR initiatives for **PSUs (SAIL, GAIL, BHEL)** at the National CSR Hub — shaping national impact programmes and supporting implementation of the CSR Act.
- Developed **end-to-end M&E frameworks** and programme architectures for flagship CSR initiatives across WASH, agriculture, and governance.
- Evaluated **100+ CSR proposals under Section 135** — ensuring compliance, strategic alignment, and high-impact NGO partnerships.
- Delivered governance and CSR capacity-building including national policy training for **80 IAS officers**, and improved performance tracking by 30% through M&E systems for Coal India, BHEL, and SAIL.

Gender Research Consultant — Social Protection & Labor The World Bank

Jun 2014 – May 2015 • Delhi, India

- Led qualitative research for a multi-topic study on adolescent girls' empowerment, directly shaping the Government of India's **Tejaswini Scheme** and informing statewide policy design.
- Produced evidence that helped catalyse **USD 63 million in IDA credit** — enabling the World Bank's first standalone project for adolescent girls' socio-economic advancement in India.
- Served as primary coordination focal point between Government of Jharkhand, WCD, Ministry of Economic Affairs, and World Bank HQ.

Environmental & Development Programme Manager Action for Food Production (AFPRO)

Aug 2013 – May 2014 • Maharashtra, India

- Managed **integrated watershed management programmes** across drought-affected regions in Maharashtra, Telangana, and Delhi — addressing environmental challenges through sustainable natural resource management.
- Led a field team of 25 field coordinators, 5 research associates, 3 documentation experts, and 1 CSR associate.
- Supported farmers with **climate-resilient agricultural practices**, water management, and sustainable livelihoods.
