PROFESSIONAL EXPERIENCE

Société Générale – Senior Analyst, Trade Settlements (Aug 2023 – Dec 2025)

- Managed end-to-end trade settlements across Euroclear markets, ensuring timely settlement within T+1 settlement cycles.
- Performed proactive pre-matching with counterparties to facilitate timely settlement.
- Monitored buy-in risk exposures and initiated timely escalations.
- Investigated failed trades and coordinated with Front Office, Middle Office, and counterparties.
- Monitored failed trades on a daily basis, performed root cause analysis, and updated failure reasons in internal systems.
- Performed SSI validation and ensured accurate settlement instructions for trade processing.
- Conducted stock and trade break investigations to identify root causes and ensure timely resolution.
- Liaised with counterparties and internal teams to ensure smooth and timely settlement of trades.
- Ensured compliance with market deadlines, regulatory requirements, and internal controls.
- Prepared daily MIS reports and provided updates on settlement risks and aged fails.
- Resolved settlement exceptions through timely follow-up with internal teams and counterparties.
- Collaborated with global teams to ensure timely settlement and resolution of trade exceptions.

Accenture – Analyst, Cash Reconciliation (May 2019 – Aug 2023)

- Performed daily multi-currency cash & nostro reconciliations across global accounts.
- Investigated and resolved cash breaks through root cause analysis.
- Delivered automation initiatives that reduced manual effort by 70%.
- Participated in UAT testing and coordinated with IT teams for issue resolution.

Deutsche Bank – Analyst, Trade Settlements (2018 – 2019)

- Supported trade settlements across the full trade life cycle.
- Performed pre-matching and validated settlement instructions.
- Coordinated with counterparties for timely settlement resolution.
