CORE COMPETENCIES

• Risk Assessment & Controls	• Quality Management
• Compliance & Client Relationship Management	• Team Leadership
• Operations & Delivery Management	• Project Management
• Training Governance	• Process Improvement & Automation

PROFESSIONAL EXPERIENCE

Associate Program Manager

May 2021 – June 2026

Eclerx Services Limited | Navi Mumbai, India

Key Responsibilities:

- Spearhead KYC/AML operations for global banking clients covering client onboarding and scheduled periodic reviews, consistently meeting internal SLA and quality benchmarks.
- Transformed outreach governance by restructuring escalation workflows and expedited senior stakeholder sign-offs on high-risk KYC files.
- Established an internal control framework aligning compliance policies, business processes, and regulatory standards.
- Implemented automated Macro Checklists that significantly improved process efficiency and quality scores across the team.
- Conduct regular training sessions on policy updates, regulatory requirements, and best practices — maintaining 100% completion rates on mandatory trainings.
- Perform detailed customer risk profiling (Low / Medium / High) and ongoing transaction monitoring to detect potential money laundering activity.
- Serve as primary point of contact for internal/external audits and regulatory investigations; work with Global QA team to maintain consistency with the Global QA framework.
- Provide weekly key performance updates to Top Management and Client Officials, covering operational metrics across efficiency, volume, and quality.

Country Site Manager

Oct 2019 – Apr 2021

Citicorp Services India Ltd (Client of Wipro Limited) | Pune, India

Key Responsibilities:

- Directed a team of 42 onsite staff in delivering KYC/AML services for global investment banking clients across new onboarding, renewals, and remediation projects.
- Governed remediation projects and presented progress reports to Senior Management and successfully closed critical projects within agreed timelines.
- Led compliance risk assessment efforts measuring inherent and residual risk for U.S. Operations' business activities.
- Standardized and optimized Pulse Report dashboard to measure, track, and improve team performance KPIs.
- Globally responsible for publishing Monthly Business Review (MBR) reports presented by Management to Citi Global Head.
- Improved employee retention by strategically aligning team assignments to individual skill sets.

Country Manager – Middle East Cluster

Oct 2015 – Sep 2018

Citigroup Global Market Ltd | Dubai, UAE

Key Responsibilities:

- Represented Citi Commercial Bank for the UAE, Bahrain, and Jordan cluster in governance, risk, technology, and change committees.
- Strategically led a team performing client onboarding, annual KYC reviews, Enhanced Due Diligence, Name Screening, and regulatory compliance.
- Hosted AML call report meetings with Relationship Managers, Business Heads, Compliance, and High-Risk Client stakeholders locally and globally.
- Led the unit through Internal Audit, external regulatory reviews, and Compliance testing, consistently achieving management expectations.
- Published monthly and quarterly reports for Senior Management on progress across people, process, clients, controls, and technology.
- Implemented AML Framework policies and procedures, ensuring alignment with regulatory standards and internal governance requirements.

Manager – Middle East KYC Operations

Jan 2014 – Sep 2015

Citigroup Global Market Ltd | Dubai, UAE

Key Responsibilities:

- Managed the ME Cluster KYC functions including risk management operations, achieving quality and productivity targets.
- Supported regional Core functions including Re-Engineering and Business Solutions during Citi KYC Implementation.
- Led ME region in KYC projects, liaising with Global KYC BSU Management, Compliance, and Relationship Management.
- Conducted UAT and infrastructure readiness for Information Services Group and Citi KYC system releases.

Assistant Manager – KYC Quality

Jan 2013 – Dec 2013

Citigroup Global Market Ltd | Dubai, UAE

Key Responsibilities:

- Functioned as key Quality Analyst overseeing KYC documentation from initiation to approval.
- Collaborated with Relationship Management on client renewals and changes in local/global requirements.
- Independently participated in Risk and Control Self-Assessments on AML/Sanctions processes and remediated deficiencies.

Senior Case Manager – UAE Hub Setup

Citigroup Global Market Ltd | Dubai, UAE

May 2011 – Dec 2012

Key Responsibilities:

- Credited with the complete setup of the new Citi UAE hub covering UAE, Bahrain, Qatar, Kuwait, Egypt, Lebanon, Jordan, and Pakistan.
- Implemented AML/KYC policies and procedures as per local and global requirements; performed KYC review and approval.
- Researched companies using KYC/AML tools including World Check, Zawya, Dun & Bradstreet, and regulatory websites.

EARLIER CAREER

Citigroup, Mumbai, India

- Senior Case Manager — Dec 2009 – Apr 2011
- Team Leader, Risk & Data Analytics — Sep 2008 – Nov 2009

AWARDS & RECOGNITION

- Service Excellence Award from CEO, Citigroup UAE — exceptional delivery of services to Relationship Managers (2011)
- Best Business Partner Award — Citi Bank Diversity Celebration (2016)
- Excellent People Engagement Award (2022)
- Best Team of the Year Award (2023)
- Certificate of Recognition for exceptional contribution to KYC Process Transformation (2025).
