Trading & Investment Operations	Instrument Lifecycle Management	Market Operations	Best Execution Analysis	Market Data Validation	Regulatory Compliance
L3 Escalation Handling	Crypto Compliance	MS Word	Advance Excel	PowerPoint	Internet Applications

EXPERIENCE

Sterling Outsourcing Pvt. Ltd. – Analyst, Trade Republic Bank (December 2024 – Aug 2026)

- Managed instrument onboarding, lifecycle and trading support across European markets.
- Handled global trade settlement, market operations and daily trade execution activities.
- Validated market/reference data and performed reconciliation and root-cause analysis.
- Created and maintained client/entity master records and hierarchical relationships in accordance with established operational and data-governance procedures.
- Reviewed and validated parent-child relationships, legal entity information, account relationships, and client static data to ensure accurate downstream processing.
- Performed regular validation of client and account attributes and investigated discrepancies between client master data, trading systems, and reference-data sources.
- Created, reviewed, validated, and maintained Standing Settlement Instructions (SSI) for client accounts in accordance with established operational controls.
- Validated SSI details including settlement account, custodian, market, currency, and settlement-related information prior to system maintenance.
- Validated SSI details during callback, including settlement account, custodian, market, currency, and other settlement-related information, ensuring accuracy before system maintenance.
- Reviewed 100–150 trade cases daily for best execution and timely resolution.
- Managed L3 escalations, Block Order Checks and open market order monitoring.
- Coordinated with exchanges and data vendors including Fundinfo and LSEG.
- Supported trading restrictions, regulatory compliance and crypto compliance monitoring.
- Utilized Advanced Excel to validate, analyze, reconcile, and maintain large volumes of client, account, trade, and reference data.
- Resolved client queries related to trades, orders and operational activities.
- Platforms: Exgone, CATS, LSX.

Zepto Commodum Groceries Pvt. Ltd. – Customer Service Executive (May 2024 – Oct 2024)

- Handled customer queries, order support, and issue resolution in a fast-paced service environment.
- Maintained accurate communication and coordinated with internal teams to ensure timely service delivery.

1point1 Solutions (Medical Process) – Customer Service Executive (Jan 2022 – Aug 2022)

- Managed customer communication and resolved process-related queries with a focus on accuracy and service quality.
- Supported day-to-day operations and maintained service standards in a medical process environment.
