WORK EXPERIENCE

Business Process Analyst - Magnit Global PVT. LTD

Nov 2024 - Jun 2026

- Champion process excellence and re-engineering initiatives, utilizing strong consulting skills to optimize contact center operations.
- Cultivate a culture of continuous improvement by driving and mentoring productivity-focused LSS improvement projects globally.
- Lead the mobilization of Black Belt, Green Belt, and Yellow Belt programs, creating LSS-related materials, training resources, and facilitating communications.
- Explore and implement innovative working methods through AI and end-to-end RPA (Automation 360, Blue Prism) to automate repetitive processes.
- Contribute to Process Discovery and Data Discovery by performing Time & Motion studies and utilizing LSS statistical tools.

Senior Business Analyst - Tech Mahindra

May 2019 - Oct 2024

- Led business transformation and continuous improvement initiatives for Vodafone NZ, ensuring a highly engaged team consistently delivered high-quality outputs that exceeded expectations.
- Assisted in establishing standards for communication, reporting, and newsletters, leveraging Power BI to consolidate reporting mechanisms and improve visibility.
- Applied presentation building and delivery skills to implement data-driven strategies, such as a Churn Prediction model and Direct Debit Automation, to control costs and boost retention.
- Leveraged LSS statistical tools and Google Analytics to increase chat penetration by 30% and drive Sales NPS improvement from 0 to +40.
- Reduced correct-transfer in IVR by 70% and improved attachment rate from 1.05 to 1.34 through efficiency-focused projects.

Technical Support Engineer - Concentrix

Apr 2018 - Apr 2019

- Provided technical consulting and support to enterprise customers (Dell - North America), handling complex hardware and software troubleshooting.

- Managed cases and provided resolutions using tools such as Salesforce and Siebel for US-based clients, refining articulation and stakeholder communication skills.

EDUCATION

2022 B.Tech / B.E. Electronics and Telecommunication Engineering, Pune University Marks: 87%

EXTRA-CURRICULAR ACTIVITIES

Mentoring & Community Building

Organize and promote Process Engineering Community events, supporting community growth. Conduct training sessions for LSS Black Belt, Green Belt, and Yellow Belt programs, and facilitate the mobilization of idea-generation platforms to drive innovation.

ACHIEVEMENTS

Key Achievements

Led LSS initiatives that improved Sales NPS from 0 to +40 and increased attachment rate from 1.05 to 1.34. Mentored high-impact analytics projects that successfully reduced IVR correct-transfer by 70%.
