PROFESSIONAL EXPERIENCE

eClerx Services Ltd. — Middle Office Senior Analyst | Apr 2026 – Present | Mumbai, India

- Manage **pre-matching, settlement and reconciliation** activities across EMEA, Asia and DTC markets, supporting daily global trade lifecycle operations.
- Process and monitor **cash equity, swap give-in, matched receipt & delivery and Hong Kong buying trades** through post-trade workflows.
- Investigate and resolve **economic mismatches, DKs, failed trade exceptions and SSI amendments** by coordinating with clients, counterparties, custodians and operations teams.
- Prepare and monitor **SOD, MOD, EOD, KRI, M2M, no-fail client and sensitive client reports** to support operational controls and management oversight.
- Handle **FX booking for TWD and KRW currencies** and release trades impacted by kick-outs, supporting timely downstream processing.
- Conduct offshore client communication, governance calls and weekly management reviews to discuss **trade-fail resolution, operational risks and outstanding exceptions**.
- Support **process improvement, team training and knowledge transfer** to strengthen operational consistency and team capability.

eClerx Services Ltd. — Middle Office Analyst | May 2024 – 2025 | Mumbai, India

- Supported **global market trade settlement** across equity and fixed income products, maintaining accuracy throughout the post-trade lifecycle.
- Performed **trade pre-matching** and investigated exceptions to support timely and accurate settlement.
- Coordinated with **custodians, brokers, clients and internal teams** to investigate and resolve trade fails and settlement discrepancies.
- Monitored high-volume trade flows, identified real-time settlement breaks and escalated potential operational risks.
- Performed **root cause analysis** on recurring discrepancies and partnered with risk, compliance and reconciliation teams to close daily trade cycles.
- Worked with **DTC, CTM and Euroclear** settlement systems supporting global market trade execution and settlement processes.

KEY ACHIEVEMENT

- Received the **Super Achiever Award in 2025** for performance and contribution in Middle Office operations.

EDUCATION

Bachelor of Accounting and Finance

University of Mumbai | 2020 – 2023
