Experience

1. Assistant Manager, BA4 – Barclays, Noida (April 2025 – October 2025)

- Facilitated contract reviews and Data Quality Testing (DQT) for 50+ third-party supplier agreements, reducing data accuracy gaps by 15% and ensuring audit-ready documentation.
- Validated supplier contracts for ISO controls, BCP, exit strategies, and contractual data accuracy gaps.
- Managed end-to-end Supplier Assurance Attestations (SAA) for 50+ third-party suppliers, ensuring alignment with Barclays Risk Utility governance standards and maintained governance dashboards to support internal and external audits.
- Conducted supplier due diligence & periodic reassessments, including Financial Stability Review (FSR) and control assurance reviews.
- Collaborated with Procurement, Legal, Risk, Privacy, and Compliance teams to support supplier governance, risk remediation, and contract compliance.

2. Supplier Relationship & TPRM Analyst – Accenture Pvt Ltd, Gurgaon (July 2023-February 2025)

- Managed vendor onboardings and risk assessment workflows using Coupa Risk, supporting end-to-end third-party lifecycle management.
- Conducted supplier risk assessments and periodic reassessments on IT & Non-IT vendors to support regulatory compliance.
- Collaborated with IT, Privacy, Group Resiliency & Compliance on DPIA reviews, risk remediation, and governance activities.
- Reviewed vendor contracts, BCP, exit plans, ISO, insurance, and policy documentation to support supplier governance and service continuity.
- Supported risk workflow automation, UAT for onboarding & Privacy workflows, and prepared supplier risk dashboards, MIS, and audit documentation.

**3. Procurement Specialist - MetLife GOSC, Noida
(February 2018 – July 2023)**

- Facilitated third-party risk assessments across operational, financial, reputational, and compliance domains, supporting vendor due diligence and remediation tracking.
- Reviewed vendor documentation and contracts including data handling policies, BCP, ISO certifications, privacy controls, and data protection requirements (GDPR exposure).
- Coordinated the DPIA activities for vendors handling personal data, gathering data flow information and documentation for DPO review and approval.
- Partnered with cross-functional stakeholders and external vendors to complete vendor due diligence, documentation reviews, sanction screening and issue remediation.
- Supported vendor management and procurement operations using SAP Ariba (Buyer) and PeopleSoft, managing PR-to-PO processes, onboarding, and transaction workflows for APAC region.
- Assisted in ServiceNow portal implementation for APAC processes, supporting streamlined vendor-related workflows.
- Maintained supplier inventory, governance documentation, dashboards, and audit-ready records, supporting internal audits, SOP documentation, and compliance reporting.

**4. Associate – British Telecom Pvt Ltd, Kolkata
(October 2016 - November 2017)**

- Managed procurement and Accounts Payable (AP) billing queries and reconciliations, ensuring accurate and timely vendor payments.
- Supported PR approvals and PO processing (Buyer role), coordinating with business requestors, sourcing team, and vendors, to ensure smooth PR-to-PO processing.
- Resolved vendor escalations and invoice discrepancies, while supporting SLA reporting, and governance documentation to ensure procurement process compliance.
