Q +91- 9921096271 | ✉ mangesh2dhage@gmail.com |  [LinkedIn](#) | 📍 Pune/Mumbai, India

EXECUTIVE PROFILE: Senior ESG & Sustainability professional with **15+ years of experience** across strategy, reporting, assurance, ratings, climate risk assessment, and sustainable finance. Trusted advisor to **C-suite and boards** on net-zero pathways, embedding ESG into enterprise strategy, and converting disclosure mandates (BRSR, GRI, CSRD, ISSB/TCFD) into competitive advantage. Uniquely blends financial/accounting fluency with technical sustainability depth — positioning sustainability as a driver of value, resilience, and capital access.

Core Strengths: ESG Strategy & Governance • Net-Zero & Decarbonization • SBTi Targets • Climate modelling, Scenario Analysis • ESG Disclosure Controllershship • Sustainable Finance & Green/Social Bonds • ESG Ratings support (CDP, DJSI, EcoVadis, MSCI) • Board & Stakeholder Engagement • Client Management • Team Leadership • Relationship and Network management • Business Development

SIGNATURE IMPACT • Led ESG advisory across **35+ enterprise clients** (BFSI, Asset Management, Manufacturing, FMCG, IT), shaping board-level strategy. • Architected **SBTi-aligned net-zero roadmaps** across Scope 1, 2 & 3. • Directed **end-to-end reporting & assurance** (GRI, BRSR, TCFD/ISSB) for listed and PE-backed firms. • Improved client **ESG ratings**, enhancing sustainable capital access and stakeholder trust • Established audit-ready ESG data governance mechanism • Built & mentored ESG teams of **50+ resources**.

PROFESSIONAL EXPERIENCE

PwC India, Pune — Manager, ESG Reporting & Advisory | Feb 2024 – Present

- Lead board-facing ESG engagements — materiality assessment, sustainability strategy, GHG Inventorization, Setting SBTi targets, decarbonization roadmaps, tracking financed emissions. • Direct reporting & assurance (GRI, BRSR, TCFD/ISSB, CSRD) and Supplier engagement for Scope 3 emissions accounting for large enterprises. • Advisory on ESG governance, policy, ratings (CDP, DJSI, EcoVadis), climate risk assessment, ESG due diligence, and human rights & supply chain assessment

EY GDS LLP, Pune — Assistant Manager, ESG | Jun 2022 – Feb 2024

- Owned end-to-end ESG reporting & disclosure controllershship — metrics, transition planning, materiality, KPI design. • Established data sourcing, review, and controls frameworks ensuring audit-grade, assurance-ready data. • Led training, mentoring, and cross-functional alignment, building organizational ESG capability.

Apex Group Ltd., Pune — Senior Associate, ESG | Nov 2020 – Jun 2022

- Drove ESG ratings, gap analysis, and sustainability strategy for private equity and institutional clients. • Led ESG due diligence for M&A; Climate risks/opportunities assessment; EU-SFDR compliance projects for financial market participants and financial advisors.

SG Analytics Pvt. Ltd., Pune — Senior Analyst → Analyst → Associate Analyst, ESG | Dec 2014 – Nov 2020

- Served global rating agencies & institutional investors with deep-dive ESG research, ratings, and screening. • Led projects on ESG investing, sustainable finance, and financial modelling; delivered due diligence per World Bank safeguard policies.

Earlier Career: UPS Global Services (AR Associate, 2012–14) • **EXL Service** (Process Executive, 2010–12) — financial and accounting operations foundation underpinning a finance-grounded sustainability approach.
