PROFESSIONAL EXPERIENCE

SME at TerraPay | June 2025 to till date

- Updated and standardized SOPs, ensuring consistency and compliance across processes.
- Designed factsheets and dashboards to support management reporting.
- Collaborated with internal teams (Ops, Compliance, Tech, Product) and external partners (banks, clients, payment networks).
- Onboarded new clients, ensuring smooth integration and compliance readiness.
- Detected and escalated potential fraud risks, preventing financial/reputational damage.
- Trained team members on updated processes and compliance standards.
- Resolved escalated issues by liaising with cross-functional teams and partners.
- Prepared daily EOD reports for management review.
- Communicated outage/downtime notifications to stakeholders for transparency.
- Implemented process optimization initiatives, increasing efficiency by 15%.

Associate Consultant - Aeries Technologies, Bengaluru | Jul 2024 – Apr 2025

- Automated and designed financial reporting templates using Adobe InDesign, improving reporting efficiency by ~20% and reducing manual preparation time.

Senior Associate – BNP Paribas India Solutions, Bengaluru | Apr 2021 – Nov 2022

- Executed manual and SWIFT-based payments (MT103/202/202COV) for IRS and CDS trades.
- Managed payment routing using Plasma and Arpe systems; ensured compliance with settlement timelines.
- Generated reports to monitor daily payment flows and exceptions.
- Collaborated with global teams on clearing and settlement across CHIPS and FEDS platforms.

Senior Analyst – ANZ, Bengaluru | Feb 2020 – Mar 2021

- Supported Fixed Income and Commodities operations, validating trades and reconciling positions.
- Ensured accuracy of SWIFT messages and trade bookings aligned with internal records.
- Conducted end-of-day reconciliation and issue resolution with external custodians.

Analyst – Thomson Reuters, Bengaluru | Feb 2016 – May 2018

- Handled daily cash reconciliation and payment discrepancy investigations.
- Prepared reports for audit readiness and implemented process improvements in cash ops.
- Engaged in cross-border payments and collaborated on payment investigation resolution.

Associate – GlobeOp Financial Services, Mumbai | 2014 – 2015

- Processed wire transfers for client accounts, margin calls, and liquidity events.
- Supported trade and cash reconciliation and resolved message mismatches.
- Coordinated with custodians and internal teams for timely processing of payments.
- Setup of SSIs and other important static data for client on the in-house GlobeOp application.

Trainee – Morgan Stanley Advantage Services, Mumbai | 2013 – 2014

- Assisted in fund pricing, reconciliations, and data validations for hedge fund clients.
- Used Investran and Excel-based tools for daily operational reporting.
