PROFILE SUMMARY

- Expertly directed enterprise-wide program and portfolio management initiatives at Standard Chartered Bank, ensuring alignment with strategic objectives, regulatory frameworks, and business transformation goals.
- Efficiently established and matured Project Management Office (PMO) governance, driving program controls, delivery frameworks, and executive reporting structures across critical banking operations.
- Proactively advanced large-scale Agile transformation programs, embedding Scrum and scaled Agile practices to accelerate delivery timelines and enhance cross-functional collaboration.
- Skillfully managed senior-level stakeholder engagement, building trusted partnerships with C-suite executives, regulators, and global business leaders to secure alignment on strategic initiatives.
- Diligently executed high-visibility regulatory and compliance programs, mitigating risks, strengthening audit readiness, and ensuring adherence to industry standards.
- Seamlessly orchestrated complex change management and business transformation efforts, delivering measurable process efficiencies and driving cultural adoption across multi-country teams.
- Successfully strengthened client relationship management frameworks, integrating logistics, finance, and delivery teams to create structured client engagement models and enhance customer satisfaction.
- Strategically mitigated program-level risks and issues, deploying robust governance, dependency mapping, and escalation frameworks to safeguard mission-critical deliverables.
- Consistently delivered robust strategic planning and execution, taking initiatives from ideation to launch while maximizing business value and operational efficiency.
- Actively championed diversity and inclusion initiatives, designing and executing gender diversity programs that fostered engagement, collaboration, and organizational growth.

PROFESSIONAL EXPERIENCE

Aug'20 – March'26 : Standard Chartered Bank (Bangalore, Karnataka, India) as a Business Manager-PMO

- Directed enterprise-wide PMO governance, aligning project portfolios with business objectives while enforcing compliance, audit readiness, and regulatory standards in banking programs.
- Streamlined integrated project planning, consolidating multi-workstream roadmaps, managing interdependencies, and driving successful delivery across complex portfolios.
- Optimized financial management and resource allocation, consistently delivering programs on time, within budget, and in line with strategic priorities.
- Strengthened risk, issue, and dependency (RAID) management, deploying mitigation strategies to safeguard mission-critical programs against operational and reputational threats.
- Elevated operational and business excellence, introducing benchmarking practices and standardized methodologies to enhance delivery efficiency and program outcomes.
- Orchestrated stakeholder and client engagement, serving as a trusted advisor to senior leadership while improving collaboration and visibility through effective reporting and communication frameworks.
- Enhanced PMO operations with structured governance, stage-gate approvals, and oversight mechanisms, ensuring seamless execution of transformation programs within banking environments.

Mar'17 – Jul'20: Pearson & Hilti (Through Globallogic, Noida India) as a Program Manager-PMO

- Directed enterprise-wide PMO operations, embedding standardized frameworks, tools, and training to strengthen project governance, quality assurance, and delivery excellence in banking.
- Championed cross-functional collaboration, aligning IT, compliance, and operations teams to drive digital transformation, system upgrades, and enterprise-wide strategic initiatives.
- Enforced regulatory compliance and governance controls, instituting stage-gate approvals, audit readiness measures, and risk frameworks to mitigate financial and operational exposure.
- Partnered with senior leadership and executive sponsors, ensuring portfolio funding priorities, stakeholder alignment, and transparent reporting for high-visibility programs.
- Designed and executed integrated program planning, overseeing resource allocation, financial management, and milestone tracking to deliver large-scale initiatives on time and within budget.

Mar'15 – Oct'16: Staples Inc. (Through Insight Global, Boston, MA, USA) as a Project Manager-Engineering

- Directed end-to-end project lifecycle management, defining scope, requirements, deliverables, and governance frameworks to ensure portfolio alignment with business objectives.
- Strengthened technology delivery excellence, overseeing EMC Documentum and xPlore search implementations while driving configuration management, estimation, and integration activities.
- Enhanced software quality assurance, instituting 100%-unit testing, code reviews, and test case development to improve efficiency, reduce rework, and increase code coverage.
- Led cross-functional collaboration and conflict resolution, fostering teamwork across onshore and offshore Java teams to deliver high-quality outcomes within strict timelines.
- Delivered actionable project reporting and analytics, producing ad hoc reports, project dashboards, and executive summaries to support informed decision-making and stakeholder visibility.

PREVIOUS EXPERIENCE

- Aug'14 – Nov'14: Sydney Trains (Through HCL Technologies, Australia) as a Subject Matter Expert – Documentum
- Nov'11 – Jul'14: GE Appliances and Lights (Through HCL Technologies, Noida, India) as a Documentum Developer
- Oct'08 – Oct'11: CITIBANK (Through HCL Technologies, Noida, India) as a FAST ESP Administrator

ACHIEVEMENTS & INITIATIVES

- Honored with Partner in Excellence Award for significant contribution to Pearson project (2018).
- Received Recognition & Reward Award from HCL Technologies for leading Gender Diversity initiatives.
- Earned Spot Award at GlobalLogic within 3 months of joining for exceptional performance.
- Commended with 50+ appreciations from C-level executives within 6 months of assignment.
- Organized large-scale Gender Diversity Events at HCL, coordinating logistics, marketing, and finance functions.
- Created and implemented a Client Relationship Framework to enhance client engagement and cross-team collaboration.
