PROFESSIONAL SUMMARY

Detail-oriented finance professional with 6+ years of experience in Capital Markets, Trade Settlement, Reconciliation, and Client Management. Proven expertise in Equity and OTC listed derivative settlement across DTCC and Euroclear. Hands-on experience in SSI validation and maintenance, pre-matching, settlement fails, month-end closing, end-of-day balancing, reconciliation, and CSDR-related controls. Strong track record of resolving settlement exceptions, coordinating with brokers and custodians, and delivering accurate client reporting.

CORE COMPETENCIES

Trade Settlement (Equity & Derivatives) • OTC & Listed Derivatives • Standard Settlement Instructions (SSI) • SSI Validation & Maintenance • CSDR Compliance • Reconciliation • Trade Confirmation & Pre-Matching • End-of-Day Balancing • Month-End Closing • Middle & Back Office Operations • Client Reporting • SWIFT Messages • Broker & Custodian Coordination • Escalation Management

WORK EXPERIENCE

Associate – Trade Settlement | BNY (Bank of New York) Oct 2024 – Jan 2026

- Managed daily settlement of high-value Equity and OTC listed derivative products.
- Performed hands-on pre-matching and settlement activities, checking and ensuring SSI accuracy in counterparty SWIFT messages for trades across DTC and Euroclear markets and amending instructions when required.
- Maintained and updated Standard Settlement Instructions (SSI) in ALERT, supporting accurate settlement and reducing instruction-related fails.
- Performed trade confirmation and pre-matching to reduce fails, overdraft charges, and CSDR penalties.
- Performed end-of-day balancing activities, validating settlement and cash/position records and investigating discrepancies before daily close.
- Supported month-end closing activities, completing required reconciliations, validations, and outstanding-item checks to ensure accurate and timely operational close.
- Liaised with trading desks, sales, IT teams, brokers, and custodians to ensure seamless end-to-end settlement processing.
- Resolved failing trades by coordinating with brokers and custodians on shorts, stock loans, and instruction mismatches.
- Monitored the group mailbox to ensure queries were actioned on time according to priority and SLA requirements.

Real Estate Analyst (FTC) | MSCI Jan 2024 – Jul 2024

- Collected and validated real estate data from institutional clients including income, expense components, and property details for completeness and accuracy.
- Analysed income and expense components to ensure data integrity.
- Performed reconciliation of real estate data by comparing current vs. historical records; identified discrepancies and coordinated client clarifications.
- Generated monthly, quarterly, biannual, and annual benchmark reports for clients based on subscription packages.

Executive | Equentis Wealth Advisory Pvt Ltd Jun 2023 – Dec 2023

- Empowered clients to make informed financial decisions through clear communication on investment products tailored to individual financial goals.
- Managed end-to-end KYC onboarding process and provided technical support for client integration into company systems.

Virtual Relationship Manager | ICICI Prudential Asset Management Jul 2021 – Oct 2022

- Managed a dedicated client base of 1,500+ investors, building long-term relationships to drive satisfaction, loyalty, and AUM retention.
- Provided information on market scenarios and catered to short- and long-term investment needs.
- Delivered goal-based mutual fund guidance and resolved investment and operational queries.

Relationship Manager | HDFC Bank Dec 2019 – Jun 2021

- Facilitated onboarding of CASA accounts and provided end-to-end support for loan and credit card applications.
- Drove portfolio growth by identifying client needs and cross-selling tailored insurance and financial solutions.
