PROFESSIONAL EXPERIENCE

Senior Analyst

Feb 2023 – Jan 2026

BNY Mellon

- Managed end-to-end Trade Lifecycle, Trade Processing and Post-Trade Operations across Equities, Fixed Income and Listed Derivatives.
- Performed Trade Capture, Confirmation, Affirmation, Allocation, Matching and Settlement activities, ensuring timely and accurate processing.
- Managed settlement operations for Equity and Fixed Income securities within defined market cut-offs and settlement timelines.
- Performed trade validation, settlement monitoring and Cash & Position Reconciliation; investigated Trade Breaks, Settlement Fails and operational exceptions.
- Monitored pending trades, settlement status and T+1/T+2 processing, driving timely resolution of exceptions and failed settlements.
- Coordinated with Brokers, Custodians, Clearing Houses, Banks and internal teams to resolve breaks, escalations and time-sensitive issues.
- Supported Middle Office Operations, SLA Management, Risk Controls, operational reporting and ad-hoc activities.

Business Analyst

Jun 2022 – Jan 2023

State Street HCL Service India Pvt. Ltd.

- Performed daily Cash Reconciliation across Bank, Custodian and internal feeds, identifying exceptions and breaks.
- Investigated Cash & Position Breaks, performed Root Cause Analysis and drove timely resolution within defined SLAs.
- Resolved reconciliation discrepancies including missing entries, duplicate postings and incorrect amounts through detailed transaction validation.
- Handled end-to-end settlement activities for Equity and Fixed Income trades, including trade validation, matching, settlement monitoring, reconciliation and failed-trade resolution.
- Investigated Equity and Fixed Income settlement breaks by validating trade details, settlement status and counterparty/custodian records.
- Used TLM for Reconciliation, Break Investigation and Exception Management while ensuring processing accuracy and reconciliation controls.
- Coordinated with Banks, Custodians and internal teams for break resolution, escalation management and timely closure.
