Professional Experience

Team Leader - Middle Office/Portfolio Controller

Nov 2019 - May 2025

State Street Services Pvt. Ltd.

Bangalore / Hyderabad

- Performed **daily NAV calculations**, validated fund performance, and ensured accuracy in **financial reporting** across multiple portfolios.
- Supported the trade lifecycle by validating **trade activity**, pricing, subscriptions, redemptions, and settlement impact to ensure accurate portfolio valuation and NAV calculation.
- Reviewed **Portfolio Accounting-to-custodian reconciliations**, investigated breaks, and collaborated with Account Managers to ensure timely resolution.
- Conducted detailed **P&L variance analysis**, monitored **FX funding requirements**, and verified client **subscriptions and redemptions**.
- Processed **OTC derivatives** and complex securities, ensuring accurate pricing and **corporate action validation** in line with market data.
- Managed **daily and monthly accruals** for management fees, financing costs, and other fund expenses, ensuring completeness and accuracy.
- Partnered with **global operations and middle-office teams** to enhance NAV validation controls and improve reconciliation efficiency.
- Streamlined **middle-office operations**, strengthened **Operational Control Framework (OCF)** compliance, and minimized reconciliation discrepancies.
- Supported **audit and compliance** processes by providing key financial data, reconciliations, and documentation for financial statement preparation.
- **Process Improvements & Audit Readiness**: Optimized reconciliation cycles using PLM, TLM, RKS, advanced Excel, and automation tools, reducing manual effort and accelerating month-end close timelines.
- **Mentored and trained** junior analysts, fostering team development and maintaining high standards of performance and client service.

Senior Associate – Corporate Actions / Fund Accounting

Dec 2011 - Dec 2017

State Street Syntel Services

Mumbai

- **Led Corporate Actions Team:** Supervised a team of analysts managing US/Canada corporate actions (both mandatory and voluntary), ensuring high accuracy in event processing and improving response turnaround time.
- **Process Transformation & Training:** Successfully transitioned key operations from US Feeds to SWIFT messaging, developed comprehensive SOPs, and trained team members, resulting in greater processing efficiency and enhanced audit readiness.
- **NAV Calculation & Reporting:** Calculated Net Asset Value (NAV) for multiple funds and prepared daily MIS reports for senior leadership, helping reduce reporting errors and supporting effective decision-making.
- **Corporate Action Processing:** Managed end-to-end processing of mandatory corporate action events across global equity and fixed income markets, including cash dividends, mergers, stock splits, tender offers, and rights issues.
- Handled **Full Call events** as part of mandatory corporate actions for fixed income securities such as bonds and notes.
- Verified and processed **issuer notifications** for full redemption of securities prior to maturity due to call provisions.
- Ensured accurate **capture of call details** including record date, pay date, redemption amount, interest component, and call price.
- Ensured all events complied with **market deadlines and internal control standards**, minimizing risk and operational losses.
- **Technology & Systems Expertise:** Utilized Bloomberg, Swift, DTC, and MCH platforms to track, validate, and execute mandatory and voluntary events across global markets, ensuring complete audit compliance and transparent exception handling.
- **Financial Analysis & Compliance:** Generated and reviewed financial reports with a focus on accuracy and regulatory compliance, ensuring no compliance breaches and consistently strong internal audit results.
- **Multi-Asset Support & Analysis:** Provided analytical and technical support across various asset classes including equities, mutual funds, hedge funds, and bonds, enhancing data accuracy and delivering improved portfolio insights to clients.

Finance Executive

Jun 2010 - Nov 2011

VKC Credit & Forex Service Pvt. Ltd.

Pune

- **Accounts Payable/Receivable Management:** Managed end-to-end Account Payable/ Account Receivable functions, including reconciling bank and ledger accounts, ensuring accurate reconciliation and supporting smoother month-end closing.
- **Audit & Compliance Support:** Facilitated internal and external audits by maintaining accurate financial documentation and compliance, leading to smooth audit outcomes and enhanced financial transparency.
- **Cash Flow Monitoring:** Monitored daily cash flow operations, strengthening liquidity forecasting and enabling more informed financial planning decisions.
- **Tax Record Maintenance:** Maintained accurate records for VAT, CST, and professional tax, ensuring timely filing and compliance, which helped avoid penalties and supported accuracy in tax reporting.
