WORK EXPERIENCE

Genpact Enterprise Risk Consulting LLP

Lead Consultant, Top-Tier Investment Bank headquartered Broadway, NY, U.S.

Mumbai

07/2024 - Present

- Led team of 5 AGILE Business Analysts to implement firmwide APAC regulatory reforms with Go-Live Q4 2025.
- Collaborated with Legal, Compliance, Finance, Risk, Product & Data Owners, and Technology to define Critical Data Element (CDEs), System Data Element (SDEs), Data Lineage, Data Retention Policies, Business Requirements, and Regulatory Submission models.
- Data analysed for more than 1,000 data elements, reviewed data lineage tracing source systems, data classification, and data quality controls supporting regulatory reporting obligations, including Basel III Liquidity Coverage Ratio (LCR) and Net Stable Funding Ratio (NSFR) frameworks.
- Co-operated with firm's Trade Repository partner - DTCC & Industry members to business logics and derivation for complex data elements.
- In collaboration with Chapter Lead, Scrum Master, and PMO planned sprints, story points, SDLC approval and JIRA tickets with business logics.
- Initiated possible solutions for challenges, Root cause analysis, process risk controls, RAID logs, key metrics - KPIs, Dashboard, and other relevant matters in Senior Stakeholder forums.
- Participated in User Acceptance Testing (UAT) testing, reviewed test scripts, data quality checks, KYC and client/ market reference data mapping.
- Successfully deployed Regulatory Tech application capable to report transaction details for 3 regions - APAC, EMEA, NAM; 5 different jurisdictions/ regimes - HKMA, MAS, JFSA, EMIR, CFTC; 5 major asset classes - Derivatives, Equities, Forex, Commodities and Credit.

eClerx Services Limited

Associate Manager

Navi Mumbai

10/2020 - 06/2024

- Directly responsible for 2 teams; Static Data & Risk Operations and Prime Brokerage - Draft and Confirmation, with total headcount of 23 Analysts and Senior Analysts supporting globally across 3 regions: APAC, EMEA, and NAM for Top-Tier Investment Bank headquartered in Greenwich Street, NY, U.S.
- Oversaw the setup and maintenance of ETD contracts, OTC contracts, Fixed Income Bonds, and Money Market securities by leveraging market data suppliers such as Bloomberg, DTCC, Thomson Reuters, etc., ensuring data accuracy, quality, and completeness.
- Increased process execution and approval by 10% of agreements detailing key elements - rates, price, dates, clearing agent, broker name, etc. to support ISDA and Master Agreement drafting in collaboration with Legal and Market Trade Operations.
- Managed reconciliation and due diligence/ audit checks of internal and client accounts in collaboration with cross-functional teams - KYC and AML, Risk and Internal Audit to stay compliant with Sarbanes-Oxley Act, 2002 (SOX).
- Co-Managed Firmwide Regulatory Reporting Projects; 1) Common Reporting (COREP) and Financial Reporting (FINREP) after data concerns raised by EBA. 2) In response to Matter Requiring Attention (MRAs) raised by Office of the Comptroller of the Currency (OCC) - *outlined in projects section*.
- With Enterprise Chief Data Office, Liquidity and Treasury departments remediated firm's core system responsible for calculating Risk Weighted Asset (RWA) to stay compliant with Basel Accords (BCBS 239), FR 2052a and Basel III Liquidity Coverage Ratio (LCR) and Net Stable Funding Ratio (NSFR).
- Structured, implemented, and supervised Business Continuity Plans (BCPs) safeguarding business operations and ensuring rapid recovery protocols.
- Maintained robust stakeholder relationships via consistent communication channels, promptly addressing challenges and documenting successful Corrective Action Plans (CAPs).
- Managed resource utilization by tracking billed and buffer FTEs, strategically optimizing team deployment and reducing overhead across 3 regions.
- Analysed and presented key performance Metrics, translating complex data from KPIs, SLAs, timeliness, and utilization reports into actionable insights for client and senior management reviews in Monthly Business Review (MBR), Quarterly Business Review (QBR).

eClerx Services Limited

Senior Analyst

Navi Mumbai

11/2019 - 09/2020

- Part of Enterprise Chief Data Office's Firmwide Regulatory Remediation and Regulatory Reporting team with major focus on 5 regulatory agencies; Federal Reserve Board (FRB), Federal Deposit Insurance Corporation (FDIC), European Securities and Markets Authority (ESMA), Prudential Regulation Authority (PRA) and Reserve Bank of India (RBI).
- Partnered extensively with cross-functional teams including Technology, Liquidity, Risk, and Treasury/Finance. The collaboration focused on understanding data sources and lineage and aligning regulatory reporting data points with their respective owners for a comprehensive Data Taxonomy.
- Sourced more than 10000 legal documentations such as Loan/Credit Agreements, Trade Confirmations, Trade Tickets/Blotters, ISDA/Master Agreements, etc., to ascertain the reported values are in sync and complying with regulatory standards for reports; FR Y-14, FR 2052a, FR Y-9C, CCAR, LCR, COREP, and FINREP.
- Collaborated with Internal Audit (IA) and Independent Compliance (ICRM) teams for Quality and Assurance testing periodically demonstrating robust internal business controls and checks.
- Trained and helped junior team members in data analysis leveraging Data Governance and Business Intelligence tools; Microsoft Excel, Power BI, Collibra, etc.
- Collaborated with other Senior Analysts for business documentation; Standard Operating Procedure (SOPs), Root Cause Analysis (RCA), Executive Draft and Summary, etc.
- Maintained key metrics exhibiting progress for each regulatory remediation program - KPIs, SLAs, Dashboard for Senior Stakeholders and Direct Managers.
