CAREER SYNOPSIS

With 14+ years of professional experience, I specialize in project management, operational transformation, and leading teams of 20 to 40 members across the MENA region. My 5.5 years in project management have been marked by effective forecasting and shrinkage control, contributing to significant efficiency gains, and I've also worked in the 3rd and 2nd line of defense.

My background includes KYC checks, audits, and ensuring compliance with regulators like the CBUAE, OCC, FCA, BaFin. I excel in due diligence, adapting to the unique risks of clients in the UAE, US, UK, and DE. My expertise also covers verifying client data from sources such as Lexis Nexis and Bankers Almanac.

I am committed to driving strategic growth and maintaining regulatory standards through my experience in operational transformation and project execution.
