PROFESSIONAL EXPERIENCE

AU SMALL FINANCE BANK

Assistant Vice President – Product Marketing & Customer Communication

Mumbai | Sep 2024 – July 2025

Role Overview:

Following the AU–Fincare merger, retained end-to-end marketing communication responsibility for the Fincare business while taking on additional responsibility for product marketing, digital customer engagement and customer communications across AU.

Key Responsibilities & Impact:

- Led the **phased communication and brand transition** of the entire Fincare portfolio into AU following the legal merger, governing customer messaging across AU and Fincare banking ecosystems, including digital platforms, branch networks and customer touchpoints, to ensure seamless customer transition, business continuity and regulatory compliance
 - Led **end-to-end communication strategy and execution** for the AU0101 digital banking platform, driving consistency across customer and employee communication ecosystems.
 - Designed and optimized **customer communication** journeys and messaging frameworks for digital payments, contributing to the **highest-ever UPI and bill payment growth (33% uplift) through AU0101 App**
 - Drove **go-to-market communication strategy** for digital banking propositions, aligning positioning, messaging, and channel strategy with product and business objectives
 - Developed customer **communication strategy, segmentation, messaging frameworks** and multi-channel customer journeys across banking portfolios, including liabilities, assets, forex, wealth and ETB/NTB customer cohorts, driving customer engagement, product adoption and business growth
 - Designed and executed **multi-channel communication strategy** across SMS, email, in-app, ATM, and digital platforms to drive customer engagement and digital adoption
 - Partnered with product, digital, technology, and design teams to **drive feature launches, digital adoption, customer education, and content optimization** across customer-facing platforms.
 - Leveraged **campaign analytics, A/B testing and customer insights** to optimize communication performance, engagement and conversion outcomes
 - Led communication for RBI-mandated **Safe Banking initiatives, strengthening customer awareness** through integrated multi-channel campaigns
-

FINCARE SMALL FINANCE BANK (Merged with AU Small Finance Bank – April 2024)

Deputy General Manager – Marketing Communication

Bangalore | May 2022 – Aug 2024

Role Overview:

Led enterprise-wide communication and brand transition strategy during a critical transformation phase, including merger, brand integration, and organizational alignment.

Key Responsibilities & Impact:

- Led **end-to-end brand and communication transition** across pre-merger, interim, and post-merger phases for the **Fincare–AU integration**, delivering seamless brand migration across customer, employee, and business touchpoints in accelerated timelines
- Integrated **go-to-market communication planning** into merger transition strategy for product continuity and customer confidence
- Transformed creative delivery model by **eliminating freelancer dependency** and establishing **a structured agency-led model**, improving quality and scalability

- Introduced **proactive monthly GTM and campaign planning**, converting reactive workflows into structured pipelines
- Partnered with digital, technology, and agency partners to **manage website content, customer-facing communication assets**, campaign messaging, and brand consistency across digital channels.
- **Introduced regional language personalization and thematic campaign** strategies, enhancing customer experience and engagement across geographies
- Implemented **communication cost optimization initiatives**, including SMS efficiency improvements resulting in significant savings
- **Standardized communication processes, templates**, and approval workflows across business units, improving consistency, compliance adherence, and turnaround efficiency
- Designed and executed **internal communication and employee engagement strategies**, driving change adoption
- Led **leadership communication**, strengthening leadership visibility and organizational alignment.
- Managed multi-agency ecosystem, ensuring **high-quality, multilingual delivery**

ACCUTEST RESEARCH LABORATORIES (I) PVT. LTD.

Manager – Corporate Communication & Strategy

Navi Mumbai | Mar 2011 – Dec 2021

Role Overview:

Led corporate communication strategy for a **global B2B CRO environment**, supporting business across **Europe, US, Southeast Asia, and Middle East markets**, with a strong focus on regulated industry communication and stakeholder engagement.

Key Responsibilities & Impact:

- Developed and executed **integrated marketing and corporate communication strategies across global B2B markets, supporting client acquisition**, business development, brand positioning, thought leadership, and market visibility initiatives.
- Built brand narratives, messaging frameworks, and content architecture tailored for international clients across **regulated markets (US, EU, SEA, Middle East)**
- Led development **of capability presentations, pursuit material, executive communication, and technical content supporting business development**, client acquisition, and stakeholder engagement across US, Europe, Southeast Asia, and Middle East markets.
- Developed corporate **website content, service narratives, company profiles, and thought leadership programs** that strengthened brand positioning, enhanced market visibility, and supported global client engagement initiatives.
- Managed leadership and external communication, authoring articles, interviews, Q&As and **thought leadership content** for global visibility.
- Coordinated with PR agencies, publication platforms, and international stakeholders, ensuring **high-quality editorial output and compliance-driven messaging**
- Delivered **award-winning submissions and global recognition initiatives**, contributing to multiple national and international accolades
- Supported **employer branding and internal communication initiatives**, strengthening organizational positioning and employee engagement
- Enabled global brand visibility and business growth through **industry events, international conferences, and publications**.
