PROFESSIONAL EXPERIENCE

Confirmation Process Specialist | ANZ Support Services India Pvt Ltd — Bangalore *Aug 2022 – Mar 2026*

(Aug 2022–Oct 2024 via BSS Payroll · Nov 2024–Mar 2026 Direct Employee)

- Drafted and issued FX trade confirmations across telephony, email, and e-commerce platforms, maintaining high accuracy against internal bookings and full SWIFT MT300/MT320 compliance.
- Acted as the last line of defense against settlement failures by managing client affirmations across electronic and manual channels, proactively monitoring and following up to reduce outstanding/unconfirmed trades.
- Resolved discrepancies between internal systems and client confirmations by coordinating directly with Front Office, Legal, Operations, and external clients, while maintaining SSI integrity across the client book.
- Owned documentation and audit trails for all confirmation activity as primary escalation point for external clients and business lines; contributed to automation initiatives that improved processing efficiency.

Senior Associate – Portfolio Administration | WNS Global Services Pvt Ltd — Bangalore *Oct 2021 – Jun 2022*

- Ran daily and monthly cash & position reconciliation across Fixed Income and Derivatives portfolios using TLM, catching discrepancies before they reached clients.
- Investigated and escalated NAV-impacted breaks within tight SLA windows, protecting fund valuation accuracy.
- Processed and verified weekly postings for expenses, income, withholding tax, FX, and cash adjustments.
- Authored SOP documentation adopted as the team's reference standard for process consistency.

Senior Analyst | Hexaware Technologies Limited — Pune

Jun 2020 – Sep 2021

- Reconciled cash and positions with custodian banks and prime brokers across Equities, Bonds, OTC, and Derivatives, resolving external discrepancies with minimal back-and-forth.
- Ran quality assurance checks on data from internal support functions, catching errors before they propagated downstream.
- Built and maintained relationships with brokers, custodians, and fund administrators, measurably cutting average issue-resolution time.
- Owned MIS and analytics reporting cadence (daily, weekly, monthly) with sign-off responsibility on controls.

Senior Operations Executive | BNY Mellon International Operations India Pvt Ltd — Pune*Nov 2017 – May 2020*

(Nov 2017–Jul 2018 via Randstad Staffing · Aug 2018–May 2020 Direct Employee)

- Reconciled client and custodian accounts through manual review and automated tooling, resolving discrepancies before EOD cutoffs.
- Supported corporate actions, trade operations, and portfolio onboarding as a cross-functional resource.
- Reviewed daily fund processing activities including trade placement, income/expense accounting, and daily NAV calculations.
- Mentored junior team members and improved internal documentation practices, raising the team's baseline consistency.

Financial Analyst | Royal Futures Consultants India Pvt Ltd — Pune

Sep 2016 – Oct 2017

- Provided financial advisory and trading recommendations across capital, currency, and commodity markets for retail and corporate clients.
- Prepared financial reports and conducted technical analysis of market trends and client portfolios.
- Delivered risk management insights and investment positioning guidance to high-net-worth and corporate clients.
