## PROFESSIONAL EXPERIENCE

**TerraPay Solutions | Bengaluru | Project Delivery & Program Manager – Partner Integrations & Customer Success | 06/2021 – Present**

- Lead **end-to-end program delivery and API integration initiatives** for complex **FinTech and cross-border payment solutions**, driving implementation from planning and partner onboarding through **UAT, production deployment, and post-go-live support**.
- Delivered **150+ cross-border payment integration projects**, enabling seamless **partner connectivity** and contributing to the expansion of TerraPay's global payment network and market reach.
- Led a complex **2.5-year strategic Visa integration program**, coordinating cross-functional stakeholders to enhance **core payment infrastructure** and expand global transaction capabilities.
- Drive **cross-functional program execution** across **Product, Engineering, Compliance, Treasury, Finance, Operations, Sales, and Customer Success**, ensuring alignment of technical, operational, regulatory, and business objectives.
- Own **program governance and stakeholder management**, including **RAID management, KPI tracking, risk and issue mitigation, status reporting, dependency management, and proactive escalation** to maintain delivery momentum.
- Manage **international partner integrations** across multiple markets, including **Unimoni (Oman), Almuzhaini Exchange (Kuwait), Moorwand, Neema, and PrivatBank (Europe)**, supporting complex payment connectivity and implementation requirements.
- Lead **enterprise customer success and partner relationships** across the payments ecosystem, ensuring successful integration outcomes, resolving delivery challenges, and strengthening long-term partner engagement.

- Recognized with **Best Performance Awards in Q3 2023 and Q3 2024** for exceptional **program delivery, execution, and leadership**.

## **Thomas Cook India Ltd | Bengaluru | Manager | 07/2010 – 06/2021**

- Managed **branch operations and foreign exchange (forex) services**, driving **operational efficiency, service quality, and customer satisfaction** across day-to-day financial operations.
- Led **regulatory compliance** across **AML, KYC, FEMA, and RBI guidelines**, ensuring adherence to statutory requirements and strengthening operational controls.
- Managed **banking partner onboarding initiatives**, establishing and maintaining strategic partnerships to expand the organization's **financial services network and capabilities**.
- Built and managed **enterprise client relationships** with prominent organizations including **Philips, Alcatel Lucent, NXP, ANZ, TP Vision, Flipkart, Genpact, and Nvidia**, ensuring their financial and service requirements were effectively addressed.
- Strengthened **client relationship management and stakeholder engagement**, developing trusted relationships with enterprise customers and financial partners.
- Maintained a strong **compliance and risk management track record**, supporting regulatory adherence, operational integrity, and protection of the organization's reputation.
- Recognized as **Best Performer of the Year 2020** for exceptional contributions to **compliance management and client relationship development**.
