Professional Summary

Shivam Bajaj is a result driven professional with over 4 years in the financial services sector. Combining his academic background in Information Technology and Finance, he has excelled in roles at Fund Administrators, Investment Banks, and Big 4 firms, showcasing expertise in fund accounting and end-to-end operations for Hedge Funds and Private Equity. With a distinguished professional background, Shivam has worked at SS&C Technologies, BNP Paribas and KPMG. His commitment to excellence, coupled with a strong analytical acumen, positions him as a valuable asset for any organisation seeking top-tier financial talent.

Work Experience

Consultant, KPMG Global Services Pvt. Ltd., Mumbai

01/2024 - 05/2026

- Promoted to Consultant in recognition of strong performance, technical expertise, and consistent contribution to fund accounting and advisory engagements.
- Performed full-cycle fund accounting activities including bank reconciliations, journal entry preparation, cash break resolution, and trial balance validation.
- Managed fair value accounting, waterfall calculations, and updated financial statements, and ledgers for multiple funds.
- Posted journal entries and accounting adjustments while ensuring accuracy, compliance, and audit readiness.
- Conducted Capital Activity checks (ITD/QT), supported management fee calculations, and maintained audit-ready documentation using Yardi Capital Roll Forward reports.
- Provided technical accounting advisory on complex transactions by interpreting US GAAP and IFRS requirements, supported by in-depth accounting research using authoritative literature and Big 4 guidance.
- Leveraged AI-enabled research tools and advanced MS Office capabilities to prepare structured, reviewer-ready documentation, improving efficiency and reducing rework.
- Mentored junior team members on technical accounting interpretations and disclosure requirements, ensuring consistency and quality across deliverables.
- Reviewed financial statements in accordance with US GAAP and/or IFRS Investment Company Accounting
