Fund Accounting | Custody Derivatives

9042819064 sairam9043@gmail.com [linkedin.com/in/sairam-ad](https://www.linkedin.com/in/sairam-ad) 9 Bengaluru ౧ India

SUMMARY

Finance operations professional with over 5 years of experience in fund accounting and derivatives operations, expert in reconciliation and SOX audit. My key achievements include winning the Spotlight Award for resolving 100% of cash breaks during month-end close and leading process automation projects that reduced manual effort by 40% at BNY Mellon. Seeking an Opportunity in fund accounting and Derivatives Operations to support your mission of optimizing key manufacturing processes while ensuring compliance.

EXPERIENCE

Specialist - Fund Accounting | Custody Derivatives Operations

BNY Mellon

📅 07/2022 - LWD 07/2026 📍 Chennai, India

- Performed end to end trade position, and cash reconciliations for derivatives, ensuring 100% accuracy across Interest Rate, FX, Credit, Futures, and Options.
- Enhanced risk management by executing daily collateral management processes, including margin calls and swap payments.
- Investigated and resolved cash and position breaks through coordination with custodians, brokers, and internal teams to support timely NAV delivery.
- Performed daily cash and position reconciliations for hedge fund and mutual fund accounting activities, ensuring accurate records for NAV reporting.
- Performed daily review of fund activity, cash movements, and reconciliation exceptions to maintain accounting accuracy.
- Achieved accuracy in portfolio holdings, cash balances, and transaction records used in NAV calculations daily reconciliation.
- Contributed to automating MIS reporting and reconciliation workflows, reducing manual effort by 40% through the use of Excel Macros and Alteryx.

Staff Accountant - Bank Reconciliation & Fund Administration

Metriqe Solutions

📅 11/2020 - 05/2022 📍 Chennai, India

- Improved data accuracy and minimized unmatched transactions through daily reconciliations and analysis of bank, cash, and vendor ledgers.
- Ensured 100% compliance with fund accounting standards by monitoring journal entries monthly, maintaining data integrity.
- Executed month-end close procedures, processing journal entries, and validating balances to ensure financial integrity.
- Performed fund accounting activities including cash reconciliation, journal entries, transaction processing, and support for NAV preparation.
- Collaborated with audit, compliance, and operations teams to ensure adherence to internal controls and regulatory requirements.
- Produced daily and monthly reconciliation reports, ensuring accuracy of cash, position, and transaction records for investment portfolios.
