PROFESSIONAL EXPERIENCE

Regulatory Reporting Associate - MAS

Nov 2025 – Present

Onboarding | BNP Paribas (Destar

Consultancy Pvt. Ltd.) | Mumbai

- Supported MAS regulatory onboarding and classification activities, ensuring client information and documentation complied with applicable regulatory requirements.
- Collected, reviewed and validated client/KYC documentation and regulatory data for completeness, accuracy and reporting readiness.
- Coordinated with stakeholders to resolve documentation gaps, data discrepancies and onboarding queries within defined timelines; maintained trackers for timely completion.

Financial Analyst | eClerx Services Ltd. |

Feb 2023 – Nov 2025

Mumbai

- Managed MiFID II Transaction Reporting activities, including transaction-data validation, report preparation, pre-submission checks and timely regulatory submission.
- Investigated reporting discrepancies, exceptions and data-quality issues, performed root-cause analysis and coordinated corrective actions through closure.
- Managed client regulatory queries, enquiries and escalations related to transaction reporting, trade data and reporting requirements, providing timely updates and resolution within defined SLAs.
- Supported clients in understanding MiFID II reporting requirements, reporting discrepancies and issue-resolution procedures, coordinating with clients, brokers, Compliance and Operations teams.
- Supported UAT for MiFID II Transaction Reporting changes, including test execution, transaction/reporting output validation, defect triage and resolution before production implementation.
- Supported client-specific transaction reporting projects and regulatory change initiatives, including requirement understanding, validation, issue resolution and implementation support. Worked across Fixed Income and Equities, supporting transaction data validation, reporting accuracy, and regulatory reporting controls.
- Performed transaction-data reconciliation and validation as part of reporting controls, identifying reporting gaps and inconsistencies and supporting remediation.
- Maintained BAU reporting trackers and MIS covering reporting volumes, exceptions, client issues and resolution status for management review.
- Used SQL to extract and analyze transaction/reporting data, reducing processing time by 40%; conducted process walkthroughs and knowledge-sharing sessions for stakeholders and new joiners.

EDUCATION

Bachelor of Accounts, Finance and Insurance | Shri M.M.P. Shah College of Arts, Science and Commerce | 2022

ACHIEVEMENTS
