

## PROFESSIONAL SUMMARY

Certified ScrumMaster and Certified SAFe 6.0 scrum master with close to 8 years of financial services experience, including asset servicing, hedge fund accounting, and loan syndication. Proven ability to lead Agile teams, facilitate Scrum ceremonies, and drive continuous improvement. Combines strong financial acumen with a servant-leader mindset to deliver high-impact, value-driven results in fast-paced, regulated environments. Recently trained in SAP FICO and SAP S/4HANA, and eager to leverage financial expertise to contribute in SAP environments while growing into a functional consulting role.

## CORPORATE WORK HISTORY

### Senior Associate 2 SA2, Fund Services

#### Trade Operations, 01/2023 to 09/2024

#### Intertrust Group ( CSC Group) - Bengaluru

Asset servicing- loan operation:

- Liaised with agent banks and custodian banks to acquire swift payment details and information regarding various trade economics.
- Thorough and accurate verification of funding memos and processing of agent notices.
- Geneva was leveraged to handle the end-to-end process of rollovers and prepayments, from contract creation to deal rollover execution, and ensured accurate processing of agent bank notices for rollover interest, rate sets, paydowns, facility increases, and borrowings.
- Perform daily and monthly reconciliations of cash balances against profit and loss (P&L) statements.
- Leveraged expertise in Geneva, Wall Street office and ClearPar to streamline the monitoring of trade settlement activities.
- Prepared daily reports: rolled/unrolled contracts, coupon frequency, duplicate pay downs, and break reports.
- Daily handling of team resource distribution to ensure there is optimal workflow which ensured 100% SLA.
- Data mapping - Markit WSO IDs were leveraged to facilitate the data mapping of manual loans to auto loans within the Geneva portfolio management system.

Applications/Vendor Proficiency : External: Geneva, Markit Wall street office and ClearPar. Internal: VU reconciliation(Viteos).

Highlights : Played a pivotal role in the formation and expansion of the bank debt team, growing it from a 2-member group to a highly skilled 10+ member team.
