Career Objective

To obtain a Challenging position in the organization with learning and growing opportunity in **Cloud Computing Domain** having 10+ years of experience where I can use and enhance my **Technical Skills in these domain** acquired previously from **Network Data & Security** from theoretically and practically in my academics with **innovative** and **Advance Technology**.

Educational Qualification

- ☐ **B.Tech in Electronics and communications** from MD University in 2011 with 68.5%
- ☐ **Intermediate** (UP Board) in 2007 from PJM School Bijnor with 62.06%.
- ☐ **Matriculation** (UP Board) in 2005 from PJM School Bijnor with 66.74%.

Technical Skills

- ☐ **Routers:** ,ASR 1K, 9K,ISR 7600,3900,2500 CSR 1000V,HP MSR 3K, Arista DCS-7280SR2, Juniper MX series.
- ☐ **Switches (L2 , L3):** Cisco Catalyst 3750 -X ,X/2960 -X,6500-X,9600,HP 5830 , Arista DCS-7280SR-48C6,Juniper Ex series.
- ☐ **Switches(Nexus) :** Nexus 5K,Nexus 7K,Nexus 9K, DNA , ACI
- ☐ **Cloud Computing :** AWS, Azure, IBM .
- ☐ **Virtualization:** VmWare VCenter, Esxi, VsphereWebClient, NSX, VRealize Orchestration,VCloud Air
- ☐ **DDOS Protector:** Akamai DDOS for Enterprise Network, Arbor & A10 Network VThunder
- ☐ **Proxy:** Bluecoat SG 400-20,Zscaler NSS,ZPA,ZIA, Forcepoint DLPTrition .
- ☐ **Firewall:** Cisco ASA 5505,5506,5520,FirePower 2110-X FMC ,FTD, Fortinet Fortigate 30E ,40F, 60E,100D 300D,600C,200D,Sophos SG 550.
- ☐ **IPS:** McAfee Security Manager 9.1.7.15, Checkpoint Threat Prevention IPS
- ☐ **Load Balancer:**,A10 Network Vthunder
- ☐ **Antivirus:** Symantec Endpoint Connection 14.X,Symantec Messaging Gateway,SEPM, GUP,Trend Micro Deep Security Manager, McAfee EPolicy Orchestrator(epo) 5.10.0,ESM ,CrowdStrike.
- ☐ **Routing Protocols:** BGP,OSPF, EIGRP, IS-IS, IGRP, RIP V2/V1.
- ☐ **WAN Technologies:** SD WAN Viptela, PPP, Leased Line ,
- ☐ **Wireless:** Juniper MIST, Cisco Meraki, WLC Controller, Cisco Access Points 3850 Aironet, Ekahau Sidekick, Cisco Prime 3.2.
- ☐ **Switching Technologies:** VLAN, VTP, Trunking, ISL, STP, HSRP, Ether Channel, ECMP,fabric path
- ☐ **NMS Tools:** Nagios,Whatsupgold,,Prtg,,Mrtg ,Hp Imc,CA SPECTRUM,Solarwinds Orion
- ☐ **Cloud Monitoring Tools(SaaS) :** Cisco StealthWatch, AWS CloudWatch
- ☐ **Risk Management Framework:** GRC framework, Six Sigma,
- ☐ **ITSM Tools:** CA Service Desk Manager, Microsoft CRM. ServiceNow .
- ☐ **Internet Protocols:** TCP/IP,ARP,ICMP,TCP,UDP,FTP,TFTP,SMTP.

CCNA Certification-

Cisco Certified Network Associate (CSCO12854834) (Routing and Switching)

Experience Abstract

Company:- Netconnect Global Pvt Ltd (Client Airtel)

Designation:- Network SME

Project:- NXTRA data

Duration:- September -2023 to Till Date

Roles and Responsibilities:-

- ☐ Migration of Cisco Nxtos to cisco Aci fabric.
- ☐ Configuration of Arista stand alone devices and Arista fabric devices.
 - ❖ Taking care of all network devices of Pan india Dcs and africa Dcs .
 - ❖ Configuration of AAA ,SNMP in the firewall, router, switches and enabling the end user command according to their requirement by giving the read only access.
- ☐ Configuration and implementation for onsite and offsite.
- ☐ Managing several MPLS links for pan india Airtel Data Centers.
- ☐ configuration and transition of old network devices from one network to another network.
- ☐ SDWAN configuration on end point devices like cisco 8500, cisco 8300, ISR 4000 etc

Providing the **Root cause** if there is flapping issues in the network devices and restoring the issues within the timelines.

Experience Abstract

Company:- Sight Spectrum (Client HCL Tech)

Designation:- Associate consultant

Project:- Hitachi Energy

Duration:- March-2023 to Aug-2023

Roles and Responsibilities:-

- ☐ Providing the support to network engineers for smooth network migration for UK ,US and gulf countries sites.
- ☐ Creating and updating the HLD and LLD as per client requirements .
 - ❖ Checking the Policy in ASDM for remote access vpn . BGP, OSPF and EIGRP configuration .
 - ❖ Configuration of AAA ,SNMP in the firewall, router, switches and enabling the end user command according to their requirement by giving the read only access.
- ☐ Configuration and implementation for onsite and offsite.
- ☐ Troubleshooting on delivered ISP links.
- ☐ configuration and transition of old network devices from one network to another network.
- ☐ SDWAN configuration on end point devices like cisco 8500, cisco 8300, ISR 4000 etc
- ☐ Providing the **Root cause** if there is flapping issues in the network devices and restoring the issues within the timelines.

Experience Abstract

Company:- Cyfuture india pvt ltd

Designation:- Network Engineer L2

Project:- DC & DR setup of data center

Duration:- July 2021 to March 2023

Roles and Responsibilities:-

- ☐ Providing the DC & DR support in network data & security domain of Cyfuture infrastructure that involves checking the routing and switching issues.
- ☐ Help customers to establish their own network infrastructure in data center .
- ☐ Creating and maintaining the customers SSL and IPSEC vpn.
- ☐ Troubleshooting the issues in Cisco ASA & fortigate 1500D firewall related to port opening in different zones & checking the logs that will hit in the network domain
- ☐ Providing the **Root cause analysis** if there is latency observed on the server .

Experience Abstract

Company:- Sigma byte computers pvt ltd

Designation:- Project Engineer Commissioning

Project:- NTT global , Google , STP Global

Duration:- April 2017 to June 2021

Roles and Responsibilities:-

- ☐ Taking care of complete Active and passive activities in Data center.
- ☐ Execution of complete project structure cabling including Fiber cable , CAT5 , CAT6 and coaxial cables.
- ☐ Commissioning of cisco catalyst switches , HP switches, Fortinet switches.
- ☐ Troubleshooting the issues in cisco ACL,ISE Server and Cisco Meraki and cisco WLC 5500 series. Providing the **Root cause analysis** if there is flapping issues in the network devices and restoring the issues within the timelines.
Provide support and administration for WAN / LAN and telecommunication systems which includes Leased Lines, ISDN lines, Cisco 2800 series routers, Cisco 3700-X switches and Cisco Catalyst 2950-X & 3000-X switches. Monitoring and Maintenance of 88 WAN Sites through Leased Line (OFC)

Experience Abstract

Company:- Reliance Industry

Designation:-Network Associate Engineer

Duration:- January 2013 to January 2017

Project :- Reliance Jio

Roles and Responsibilities:-

- ☐ Firewall (**Multi Vendor**), Router & Switch configuration. Vpn related issue.
- ☐ Troubleshooting the end user issue in network security domain & activating the license using product activation . IOS up gradation of **cisco prime** infrastructure & **Cisco UCSM** .
- ☐ Coordination with Cisco **TAC** team to resolve the issues within the provided SLA and **WebEx**.
- ☐ Generating the RMA of networking Devices and coordination with Cisco Logistic and Asset Recovery Team in case of delay in response and follow up with escalation matrix.
- ☐ Provide support and administration for WAN / LAN and telecommunication systems which includes Leased Lines, ISDN lines, Cisco 2800 series routers, Cisco 3700-X switches and Cisco Catalyst 2950-X & 3000-X switches. Monitoring and Maintenance of 88 WAN Sites through Leased Line (OFC)

Core Competencies & Leadership Skills:-

- ☐ Self-starter. I am willing to learn to explore new areas in the computing field and to solve problems.
- ☐ Work with other support groups and vendors to provide seamless support to customers.
- ☐ Instant Problem Solver and has the ability to work under pressure.

Linguistic Appraisal :

- ☐ **English**

- ☐ German
- ☐ Hindi

Curricular Initiatives & Accomplishments:-

- ☐ Participated in Inter School **Cricket Competition** from school.
- ☐ Best Performer award in Cyfuture re India (Pvt)Limited.
- ☐ Won **100%** attendance award in class 10th.

Hobbies:-

- ☐ Internet Surfing
- ☐ Gardening
- ☐ Cricket

Declaration:-

I here declare that the above mentioned information is correct up to my knowledge and I bear the responsibility for the correctness of the above mentioned particular

(Vaseem Khan)
