Summary

With over **23 years of experience** in **Fixed Income, Derivatives, and Market Risk**, My last job was as a Senior Market Risk Analyst with **FinSurge Pvt.Ltd**, at Axis Bank site, where I was looking into issues faced by users in ERM and MLC modules of Murex application.

I have earlier worked as a **Fixed Income SME**, leveraging my expertise in pricing and valuation of **fixed income instruments, equity and forex derivatives** to provide reliable data and analysis, helping clients meet regulatory guidelines on **valuation and risk management**. I have knowledge of Market Risk terms as VaR, Expected Shortfall (ES), SVaR, Stress Testing, Backtesting, and Sensitivity Analysis
