PROFESSIONAL EXPERIENCE

STATE STREET | Hyderabad

Senior Associate – Private Equity Fund Accounting

Mar 2022 – Apr 2026

- Managed end-to-end fund accounting and the daily book of records for multiple Private Equity Master and Feeder funds, ensuring accurate reporting in line with fund documentation.
- Prepared and reviewed Monthly, Quarterly and Annual NAV packs, covering investor allocations, capital balances, and reconciliation of fund assets and liabilities.
- Processed capital calls, investor contributions, distributions and commitment tracking, maintaining accurate investor capital accounts and commitment schedules.
- Calculated and accrued management fees, performance fees / carried interest, tax and audit fees in accordance with LPAs and fund agreements.
- Recorded complex journal entries — investment transactions, accruals, unrealized gains/losses, fair value adjustments and cash movements — on Investran (SunGard).
- Performed cash, bank, GP capital, FMV and investment position reconciliations, investigating and resolving exceptions within SLA timelines.
- Prepared monthly P&L, GP and Firm capital statements, cash memos and investor reports supporting management reporting and financial analysis.
- Reviewed LPAs, PPMs and fund structures — standalone, Master-Feeder and GP/LP — to ensure correct accounting treatment and regulatory compliance.
- Led daily workflow planning, reviewed team deliverables and mentored junior analysts, ensuring adherence to quality standards, internal controls and client SLAs.
- Supported new fund launches, take-on and external audits — validating controls, implementing client template changes, preparing audit schedules and coordinating with fund managers, auditors and tax teams.

- Processed principal and interest (coupon) payments for fixed income securities, ensuring timely settlement on coupon and maturity dates.
- Created and maintained payable and receivable records by validating stock positions and applying applicable DTCC rates and settlement information.
- Performed principal and coupon entitlement calculations using stock records, security details and payment rates for accurate client settlements.
- Coordinated with internal teams, counterparties and clients to confirm instructions, resolve discrepancies and release payments post client confirmation.
- Managed receivable collections through Nomura Standard Settlement Instructions (SSI) or Standing Payment Orders (SPO) per client preference.
